Such cancellation and termination shall be at no cost, liability, or obligation to RIMCO or Caterpillar.

You will be directed to where to make the return and receive a Return Merchandise Authorization ("RMA") number and, if the Parts are being shipped back, a pre-paid return shipping label, in each case, to use in the return process. No returns of any type will be accepted without an RMA number. You are responsible for arranging the shipment or delivery of the returned Products and bear the risk of loss during shipment or delivery. The Products must be returned in a new and salable condition including original packaging with all instructions and hardware and be received no later than sixty (60) days from the OMS Invoice Date. Returns will be inspected upon receipt. If a return is rejected after inspection, you will not receive a refund and you may pick up the applicable Products. An email notification will be provided stating the reason for rejection along with contact information for further assistance. The Return Credit will be issued within ninety (90) days of the OMS Invoice Date after a full inspection is completed without rejection. Your Return Credit will be credited back to the same payment method used to make the original purchase on this Site. WE OFFER NO REFUNDS ON ANY PRODUCTS DESIGNATED ON THIS SITE AS NON-RETURNABLE.

civil unrest, national emergency, revolution, insurrection, epidemic, lockouts, strikes or other labor disputes (whether or not relating to the Seller's workforce), or restraints or delays affecting carriers or inability or delay in obtaining supplies of adequate or suitable materials, materials or telecommunication breakdown or power outage.

10. **Contractual Statute of Limitations.** You agree that you will not assert against RIMCO any claim or make a demand for dispute resolution arising directly or indirectly under or in connection with these Terms of Sale that relates to, or assert as a cause for action, any event that occurred more than 12 months after the earliest date on which the facts are based were or could, with the exercise of reasonable diligence, have been known to you.
11. **Dispute Resolution and Mandatory Arbitration.** In the event of any controversy or claim relating in any way to your use of the Site or Content, or to any products or services sold or distributed by such Site, or otherwise arising out of or relating to these Terms of Sale, the parties shall communicate and negotiate with each other and attempt to reach a solution satisfactory to both parties. If the parties do not reach an agreement within a 60-day period, any unresolved controversy or claim arising out of or relating to these Terms of Sale, the Site, or any products sold or distributed by such Site will be resolved by binding arbitration, rather than in court. The Federal Arbitration Act and federal arbitration law apply to these Terms of Use.

To begin an arbitration proceeding, you must send a letter requesting arbitration and describing your claim to: Chief Legal Officer, RIMCO, 312 John F. Kennedy Ave., Km 3.7, San Juan, PR 00920. The arbitration will take place in San Juan, PR in accordance with the American Arbitration Association (AAA) Commercial Arbitration Rules and Mediation Procedures. Your request for arbitration must be postmarked within the time period specified above under "Contractual Statute of Limitations." In no event shall demand arbitration be made or permitted after the date when the institution of legal or equitable proceedings based on such Dispute would be barred by the applicable statute of limitations.

We each agree that any dispute resolution proceedings will be conducted only on an individual basis and not in a class, consolidated, or representative action. If for any reason a claim proceeds in court rather than in arbitration, we each waive any right to a jury trial. We also both agree that you or we may bring suit in court to enjoin infringement or other misuse of intellectual property rights.

The arbitration panel shall consist of one individual appointed by RIMCO and you. Such individual shall (i) have been selected from the AAA's list of potential arbitrators, (ii) have at least 10 years of experience in the discipline, which is the subject of the Dispute, and (iii) be an attorney whose 10 years of experience has been in the realm of litigating and arbitrating issues which are of the subject of the Dispute. If RIMCO and you fail to mutually agree upon an arbitrator within 15 business days after receipt of the request to arbitrate, then the arbitration panel shall be selected by the administrative office of the AAA. Such office shall, within five days after notice by any party to these Terms of Use, select a single arbitrator who complies with the requirements otherwise set forth in this paragraph. The arbitrator shall render its decision as soon as reasonably possible after its appointment and must follow the terms described herein.

This agreement to arbitrate shall be specifically enforceable in any court having jurisdiction thereof. Any decision rendered by the arbitrator pursuant to any arbitration shall be final and binding upon the parties, and judgment may be entered upon in accordance with applicable law in any court of competent jurisdiction.

The other party shall reimburse the prevailing party in any arbitration or court proceedings for all costs, expenses, and charges, including, without limitation, reasonable attorneys' fees, incurred by the prevailing party.

12. **Choice of Law.** These Terms of Sale shall be governed by the laws of Puerto Rico (regardless of the laws that might be applicable under its principles of conflict of laws).
13. **Severability.** If any provision of these Terms of Sale, or the application thereof, is determined by a court of competent jurisdiction to be invalid or unenforceable, such invalidity or unenforceability will not affect the other provisions of these Terms of Sale, all of which shall remain in full force and effect, and such other provisions will be interpreted so as best to reasonably effect the intent of the parties. The parties further agree to replace any such invalid or unenforceable provision with a valid and enforceable provision designed to achieve, to the extent possible under applicable law, the business purpose and intent of such invalid or unenforceable provision.
14. **Entire Agreement.** These Terms of Sale (including the Terms of Use and any documents referenced in them) constitute the entire agreement between you and RIMCO with respect to your purchase of products on this Site and supersede and replace all prior agreements. The section titles in these documents are for convenience only and have no legal or contractual effect. The terms and conditions of any quotation, offer, acknowledgment, invoice, or similar document, however, designated, directly or indirectly made or issued by you shall not apply.
15. **Assignment.** You will not assign any of your rights or delegate any of your obligations under these Terms of Sale without our prior written consent. Any purported assignment or delegation in violation of this Section 15 is null and void. No assignment or delegation relieves you of any of your obligations under these Terms of Sale. The formation of the contract of sale for your order at the time of the issuance of the Order Confirmation shall be with Caterpillar. However, Caterpillar's rights and obligations under these Terms of Sale shall be automatically deemed to be assigned and delegated to RIMCO, without any notice to you, at the time of RIMCO's fulfillment of any Products in your order (whether through shipping or by pick up) (the "Fulfilled Products"). Caterpillar shall not have any liability or obligation in connection with said Fulfilled Products after said assignment and delegation.
16. **No Third-Party Beneficiaries.** These Terms of Sale do not and are not intended to confer any rights or remedies upon any person or entity other than RIMCO, Caterpillar, and you.
17. **Intellectual Property Ownership.** For purposes of these Terms of Sale, "Intellectual Property" means all inventions, patents, patent applications, know-how, software,

trademarks, design rights, and copyrightable material, including, without limitation, reports, drawings, records, manuals, and computer programs.
